ASPIRING PROFESSIONAL

This level requires complete dedication and a solid foundation in classical ballet. Students must excel in school, be determined in dance and skilled in time management. The benefits of such training prepare the young mind for a brilliant work ethic, self-awareness, and ability to succeed. At this level, we would still like the dancers to have their pointe shoes checked by a faculty member when they are changing styles/brands. We do not recommend the dancers wear the Russian Pointe brand of pointe shoes. We continue to recommend leather ballet shoes; canvas shoes will be allowed in the Advanced and Company levels.
